

KENDA

KENDA combines excellent performance and mileage at a value-packed price! Our full line of Street, MX, ATV, Scooter and Moped tires and tubes have the styling you want with the dependability you need. Compare our quality and prices to others, and you'll see why Kenda tires are the best value! From asphalt to loose gravel to hardpack to snow and sand, Kenda's aggressive tread patterns will get you where you need to go!

K673 KRUZ H-RATED!

The new Kenda Kruz was designed specifically for today's larger bikes. A great high mileage all weather tire for tons of applications.

- New bias/belted casing design for improved handling and high load carrying capacity
- New rubber compound for improved mileage
- Front and rear tread patterns designed for all weather riding

K671 CRUISER H-RATED!

The Cruiser is a great match for any smaller sport-touring bike.

- Deep offset tread grooves for all weather riding
- H-Rated, Tubeless construction
- NOT for high load carrying capacity motorcycles.

K657 CHALLENGER H-RATED!

The Challenger has stood the test of time as a great value in the commuting segment.

- Excellent choice for lightweight sport touring vehicles
- H-Rated, Tubeless construction
- NOT for high load carrying capacity motorcycles.
