ALPHA

The New Suomy Alpha takes the best of the MX Jump and elevates it to the next level. A more plush interior with quick release cheek pads enhance the comfort and safety. The newly re-engineered Tricarboeco composite shell has a more robust Carbon Fiber Kevlar base making the Alpha more impact resistant while keeping weight to a minimum. The Alpha is the choice of several top contenders in MXGP.

- **Light-weight** – New **Carbon Fiber** Kevlar Tricarboeco shell
- New shell design is more impact resistant, reduces impact angles and works seamlessly with modern neck brace designs
- 2 Shell sizes and 3 EPS sizes maximize fit and comfort
- New Super wide Ram air ducts combined with advanced EPS channels allow for total pass through air flow
- Coolmax Active fabric comfort liner with Interpower treatment – wicks sweat away and keeps the rider dry and comfortable
- Light-weight and soft interchangeable washable cheek pads and liners
- **Quick Release cheek pads for emergency helmet removal!**

Race approved by every major US & International motorcycle race organization. DOT approved and ECE 22-05 certified.
