MX SPEED

Developed on the most famous MXGP World Championship tracks and the insidious terrains of the Rally World Championship, the MX Speed represents the best Suomy has to offer. The MIPS Brain Protection System combined with its EPS crumple zone absorbs, reduces & redirects energy in a way that makes the MX Speed synonymous with safety. The Carbon Fiber Aramid shell is so light you will not believe that they packed this many features in a helmet that weighs less than 3lbs.

- **MIPS – Brain protection system absorbs and redirects rotational energies from angled impacts!**
- **Huge Eye Port** – Provides widest range of vision & perfect fit for modern goggle systems

- **Ultra-Light Weight Carbon Aramid Tricarbo Shell** – Reduces fatigue and protects while
- **Quick Release Cheek Pads – for easy EMS helmet removal!**
- 2 Shell sizes and 2 EPS sizes maximize fit & comfort
- Coolmax Active fabric comfort liner with Interpower treatment – wicks sweat away and keeps the rider dry and comfortable.
- Light-weight and soft interchangeable washable cheek pads and liners

Race approved by every major US and International Race Organization.
