

**PJH Brands** makes the world's largest exclusive line of motorcycle paints, lubricants and maintenance products. Their technologically advanced formulas are used on the Navy's B-2 Bomber and Stealth Fighter, as well as NASA's Space Shuttle program. This same level of technology goes into each and every product they make, so you don't have to fly to the moon to enjoy the same proven results!

VL#	MFR#	Description	Net Wt.	Retail
55-1130	3-21	SPRAY SUPER CLEANER	13 oz.	\$11.13
55-1360	15-20	SPRAY & WASH DEGREASER	13 oz.	\$13.32
55-1325	12-11	LPC-3 PENETRANT/LUBE	11 oz.	\$13.32
55-1805	SP-701	VHT ASSEMBLY LUBE	11 oz.	\$16.27
55-1693	40-4	SUPERCHARGER LUBE	11 oz.	\$22.28

**Super Cleaner**

- Great for all pre-assembly of motors; surface preparation for paint, decal and grip installation.
- Cleans carburetors, injector systems, disc brake rotors, pads, sparkplugs, etc...
- Removes moisture from ignition systems.
- Harmless to most plastics and paint.
- Our most popular contact cleaner!

**Spray & Wash Degreaser**

- Penetrating formula dissolves grease, dirt and oil in one step.
- Easy-to-use, spray on and hose off!
- Leaves a pleasant smelling, sparkling clean surface.
- Safe to use on polished aluminum and most plastics.

**LPC-3 Penetrant / Lubricant**

- Dissipates moisture.
- Prevents rust and corrosion
- Lubricates to unlock frozen threads.

**Engine Assembly Lube**

- Dissipates moisture.
- Cleans carburetors, injector systems, disc brake rotors, pads, sparkplugs, etc...

**Supercharger Lube**

- Increases Blower Performance & Reliability
- 100% Compatible with all racing fuel mixtures
- Used by Top NHRA Race Teams

**Pro-Enviro Carb & Choke Cleaner**

- Quickly cleans and frees valves, injectors, jets and linkages.
- Contains no chlorinated solvents.
- Environmentally safe product.
- Power spray.

**Pro-Enviro Brake Cleaner**

- Cleans and degreases contaminants from brake units.
- Increases performance.
- Environmentally safe product.
- Power spray.

**Pro-Enviro Contact Cleaner**

- Removes carbon and contaminants from spark plugs and electrical components.
- Environmentally safe product.
- Power spray.
- Contains no chlorinated solvents.
- Won't contaminate oils.

VL#	MFR#	Description	Net Wt.	Retail
55-1660	40-1	CARBURETOR CLEANER	16 oz.	\$11.13
55-1670	40-2-1	BRAKE CLEANER	13 oz.	\$11.13
55-1680	40-3-1	CONTACT CLEANER	13 oz.	\$11.13

**Air Filter Cleaner - Spray**

- Now for Fabric or Foam air filters
- Easy-to-use spray, can be quickly hosed off.
- Quickly dissolves dirt and grime; Won't harm filter glues.
- The quickest, cleanest, easiest way to clean air filters!

**Fabric Filter Oil - Spray**

- For gauze type air filter; filters out dirt and sand.
- Water repelling, makes engine breathe more efficiently.

**Foam Filter Oil - Spray**

- No waste application and water repelling.
- Super tacky to filter out dirt and sand!
- Helps engine breathe more efficiently.
- The easiest way to oil your filter.

**Foam Filter Oil - Liquid**

- Super tacky, filters out dirt and sand & is water repelling.
- Makes engine breathe more efficiently.

**Foam Filter Care Kit**

- **Kit includes** 1 Foam filter cleaner (15-22) & 1 Foam filter oil spray (5-20) shrink wrapped.

55-1112	2-30W-1L	1L	\$16.27

**Clutch Tuner  
2-Stroke Gear Oil**

- Smoother shifting, extends clutch plate life.
- Won't break down under extreme loads.
- Non-foaming.
- Specially formulated for 2-stroke transmissions.

VL#	MFR#	Net Wt.	Retail
55-1299	11-75	1L	\$22.68
55-1300	11-32	1L	\$19.23

**Professional Cartridge  
Pro Fork Pro**

- Improves damping and rebound action.
- Better traction and handling.
- Controls seal swelling for better feel.
- Super tacky!

VL#	MFR#	Net Wt.	Retail
55-1285	10-32KS	1L	\$30.45

**Drive Shaft Hypoid  
Gear Oil**

- Non-foaming high performance formula.
- Withstands extreme heat and cold.
- Quiets rear end noise.

VL#	MFR#	Net Wt.	Retail
55-1310	11-90	90W - 1L	\$19.32

**Goldfire™ Pro Premix 2T**

- Designed for the serious racer.
- Clean burning, no carbon build-up.
- Advanced petroleum/synthetic formula.
- Piston and Rings last twice as long.
- May be mixed up to 50:1

VL#	MFR#	Net Wt.	Retail
55-1200	8-16	1/2L	\$12.75
55-1205	8-16-1L	1L	\$22.87
55-1214	8-16-1G	1GAL	\$92.70

**Silverfire™ Premix 2T**

- Ideal for all general 2-stroke applications.
- Petroleum/synthetic blend.
- Improves piston and ring life.
- Stops plug fouling.

VL#	MFR#	Net Wt.	Retail
55-1162	6-32-1L	1L	\$17.00

**Silverfire™ Injector/ Premix 2T**

- Eliminates spark plug fouling & carbon deposits.
- Smokeless formula leaves exhaust clean from residue.
- Advanced petroleum/synthetic formula.
- Piston and Rings last twice as long.
- Super lubricating formula.

VL#	MFR#	Net Wt.	Retail
55-1182	7-32	1L	\$17.00

**Goldfire™  
4-Stroke Synthetic Blend Motor Oil**

- New synthetic formulation.
- Cooler running for reduced engine wear.
- Formulated specifically for motorcycle engines.
- Smoother shifting.
- Extends clutch and transmission life.
- Low coefficient of friction for higher RPM's.
- Increases horsepower.
- Used by Top NHRA Race Teams

VL#	MFR#	Description	Retail

## FAST BLACK PAINTS

### Gloss Black 500° Engine and Case Paint

#### (#16-ENG)

- High gloss durable finish.
- Restores case and engine components.
- Prevents rust and corrosion.
- Resists chipping.
- Keeps rubber O-Ring moist and pliable.
- Prevents rust and corrosion.
- Won't fly off.

### Gloss Black Epoxy Paint

#### (#16-GLS)

- High gloss durable finish.
- Prevents rust and corrosion.
- Resists peeling, chipping & rubbing off.

### Flat Black 1500° Exhaust Paint

#### (#16-HIT)

- Factory-like smooth finish.
- Prevents rust and corrosion.
- For all 4-stroke and 2-stroke exhaust systems!

### Satin Black 500° Engine and Case Paint

#### (#16-SAT)

- Semi-gloss finish.
- Restores case and engine components.
- Prevents rust and corrosion.
- Resists chipping.

### Wrinkle Black 500° Texture Paint

#### (#16-WKL)

- Provides durable textured finish.
- Prevents rust and corrosion.
- Resists chipping/rubbing off.

VL#	MFR#	Description	Retail
55-1410	16-ENG	GLOSS BLK ENGINE PNT 11 oz.	\$16.27
55-1370	16-GLS	GLOSS EPOXY PAINT BLK 11 oz.	\$16.27
55-1380	16-HIT	HI-TEMP FLAT BLK 11 oz.	\$17.25
55-1390	16-SAT	SATIN BLK CASE PNT 11 oz.	\$16.27
55-1400	16-WKL	WRINKLE FINISH BLK 11 oz.	\$17.25

### Renew & Protect

- Renews and protects all rubber, plastic, vinyl and fine leather.
- New super silicone moisturizing formula!
- Contains no damaging plasticizers or Petroleum Distillates.

VL#	MFR#	Net Wt.	Retail
55-1610	23-8	8 fl. oz.	\$14.62
55-1620	23-16	16 fl. oz.	\$19.82

### Fog Blocker

- Prevents fog from forming on goggles, face shields, glasses, mirrors, and more.
- Consistent reliable visibility at high speeds.
- Ensures crystal clear vision under extreme conditions.

VL#	MFR#	Net Wt.	Retail
55-1690	25-4	4 fl.oz.	\$10.13

### Octane Plus Gas Energizer with Lead Substitute

- Makes ordinary pump gas power fuel.
- Controls knocking and pinging.
- Increases horsepower.
- Spark plugs last longer.
- Safe on plastics and fiber reeds.
- Stabilizes fuel during storage.
- Prevents gas freeze-up during cold weather.

VL#	MFR#	Net Wt.	Retail
55-1330	13-16	16 oz.	\$14.78

### Track Bite Traction Compound

- Custom formulated resin that provides controlled traction for competition racing.
- Water resistant liquid track & tire treatment, which improves traction on asphalt & concrete surfaces
- Does not soften or harm tires
- NHRA & IHRA approved
- Ready to use, no mixing required

VL#	MFR#	Net Wt.	Retail
55-1695	SP-162	1 GAL.	\$67.70

### PJ1 Wheely Bar Chalk

- Effectively helps determine chassis and clutch adjustments
- Easy to clean aerosol coating
- Developed to replace messy hard to clean shoe polish, commonly used on wheely bar wheels in drag racing

VL#	MFR#	Net Wt.	Retail
55-1450	SP-168	11oz.	\$13.80

### Injector and Carburetor Cleaner

- Cleans fuel systems quickly and efficiently.
- Increases power and efficiency.
- Improves fuel economy.
- Lengthens engine life.
- Dissolves harmful fuel deposits.
- Removes varnish build-up in fuel lines.

VL#	MFR#	Net Wt.	Retail
55-1340	13-12	12 oz.	\$11.03

### PJ1 Displays

- **180** can Rack (shown) measures: 26 1/2"W x 45"H x 12"D.
- **48** can Cardboard Floor display.
- Increase sales with attractive display!
- **Call for details.**
