

CLYMER®

With an expanded line of nearly 120 motorcycle manuals, Clymer is the most complete source of repair and maintenance information available. From BMW to Yamaha, every manual has easy-to-use information, expert advice and up-to-date aftermarket instruction you won't find anywhere else.

ATVs: Clymer and Intertec ATV manuals provide coverage on most popular makes and models. Expert information and special features make it easy for enthusiasts to keep their ATVs in off-road riding condition.

Clymer Motorcycle Repair Manuals:

- Comprehensive, detailed instructions for service, maintenance and repair.
- Complete wiring diagrams for all models.
- Numbered table of contents, an easy-to-use index and handy thumb-tabs to find information fast.
- Quick-reference data lists frequently used specifications on specially marked pages.
- Each book features photos, illustrations and exploded views that guide you through every job.
- All titles perfect bound.

Snowmobiles: Clymer and Intertec repair manuals keep snowmobiles on the trails. With an expanded line covering everything from recent models to vintage sleds, each title features detailed do-it-yourself instructions for service, maintenance and repair.

Personal Watercraft: With expert repair and maintenance information for both the professional mechanic and do-it-yourselfer, Clymer's expanded line of personal watercraft service manuals provides coverage on both new and older PWC models.
