

**AXO DRONE BOOTS**

AXO delivers a high quality and durable boot made to fit riders of all levels.

- Instep panels are long enough to fit a wider range of calf and leg sizes.
- Generous toe box for comfort
- A tapered vinyl and foam gaiter wraps the top of the boot offering a barrier which resists dirt from entering.
- 4 replaceable PU molded buckles float on their bases allowing unrestricted alignment.
- The durable synthetic boot material resists wear, requires less breaking and retains its shape longer.
- A width sculpted and shaped wrapping toe box incorporates slip resistant shifter ridges.
- Thick synthetic leather covers the inner side of the boot guarding it from heat and wear.
- The steel shank adds comfort and support. The sole is attached to the upper using a time tested welted construction.
- A stain resistant mesh lining is combined with durable synthetics providing a non-slip interior.
- Norwegian welt construction
- Made with Vegan friendly materials
- AXO EZ Lock Power buckle
