MX TOURER

The Suomy MX Tourer is a dual sport/adventure touring masterpiece. The MX Tourer consolidates the best features of both street and off-road helmets using the most advanced lightweight composite materials combined with old world craftsmanship. This helmet has the fit, finish, function and style that you would expect from a handmade, Italian designed helmet.

- **Ultra light-weight**
- Tricarboco Shell – revolutionary Carbon Kevlar composite produces the lightest, most durable shell on the market
- Internal drop down, Light Smoke Visor – reduces the need for sunglasses or changing shields from day to night use
- Wind tested Peak Visor reduces wind buffeting by 50% over traditional peak visors
- Thermo formed face shield – optically clear, durable, permanent anti-fog & anti-scratch coating
- **DOT Approved & ECE 22.05 Certified**
